The **absolute** fulcrative top of Authority is related to the numerical identity of a **Codex** of-accounting in relation to Familial & Generational (wed+wed) in the recombinative and disparative [Diasphoric] intimacy of wed and forgetfulness of kindred truth, and it's renewal,..... for of a *Calandria*. In second (for in following from one barrow of interest to an investment) it is that *of the plausibility and knowable truth that one** has been reborn in a new*-generation, and is the liability and differing aspect of the written language. Spoken language conveys a differential tone, and is then, (between the sides of three) *trimphe* over, for in the-written of the past and future.
